## Summary

With over 5 years of experience in Information Technologies, I am a hardworking individual who strives to achieve the best in all areas. Friendly, self-organized, and genuinely in love with my industry. Now that I have acquired more skills, I intend on working within a company where I can develop and utilize my skill set while achieving my personal goals of becoming a competent, respected, and successful professional. Fast learner, self-motivated, applying methods and technical updates in my day-to-day work with a high degree of attention and commitment to work.
